

**RULES AND REGULATIONS
OF THE
SOUTH CENTRAL ASSOCIATION OF REALTORS®
MULTIPLE LISTING SERVICE**

Listing Procedures

Section 1. Listing Procedures: Listings of real property which is listed subject to a real estate broker's license, located within the territorial jurisdiction of the S.C.A.R taken by Participants shall be delivered to the Multiple Listing Service within seventy-two (72) hours **excluding week-ends and holidays** after all necessary signatures of seller(s) have been obtained. **Any contingencies are to be noted under "Private Remarks"**.

NOTE 1: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a "Property Data Form" may be required as approved by the Multiple Listing Service. The Multiple Listing Service, through its legal counsel:

1. May reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the Participants.
2. Assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller).

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both.

3. **Sold** Open Listings should be entered into the MLS within a timely fashion. Comparable Listings will be entered within 7 (seven) days. (amended 5/14/2008)

The listing agreement must include the seller's written authorization to submit the agreement to the Multiple Listing Service.

The different type of listing agreements include:

- (a) exclusive right to sell
- (b) exclusive agency
- (c) open
- (d) net

The Service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted except where required by law because the inherent nature of an open listing is such as to usually not include the authority to compensate other brokers and inherently provides a disincentive for cooperation.

The exclusive right to sell listing is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no

manned prospects exempted. Care should be exercised to insure that different private remarks are used to denote exclusive agency and exclusive right to sell listings with prospect reservations.

Section 1.1 Listings Subject to Rules and Regulations of the Service: Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the Rules and Regulations of the Service upon signature of the seller(s).

Section 1.2 Detail On Listings Filed With The Service: A Listing Agreement or Property Data Form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail which is ascertainable as specified on the Property Data Form. Each listing of a habitable dwelling must have at least one (1) photo entered into the MLS with each listing simultaneously.

Section 1.3 Exempted Listings: If the seller refuses to permit the listing to be disseminated by the Service, the Participant may then take the listing ("office exclusive") and such listing shall be filed with the Service but not disseminated to the Participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the Service.

Section 1.4 Change of Status of Listing: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within twenty four (24) hours excepting weekends, holidays and postal holidays) after the authorized change is received by the listing broker.

Section 1.5 Withdrawal of Listing Prior to Expiration: Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement provided notice is filed with the Service including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller.

Section 1.6 Contingencies Applicable To Listings: Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7 Listing Price Specified: The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings unless the property is subject to auction.

Section 1.8 Listing Multiple Unit Properties: All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the Property Data Form. When part of a listed property has been sold, proper notification should be given to the Multiple Listing Service.

Section 1.9 No Control Of Commission Rates or Fees Charged by Participants: The Multiple Listing Service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and nonparticipants.

Section 1.10 Expiration, Extension, and Renewal of Listings: Any listing filed with the Multiple Listing Service automatically expires on the dates specified in the agreement unless renewed by the listing broker and notice of renewal or extension is filed with the Service prior to expiration.

If notice of renewal or extension is dated after the expiration date of the original listing, then a new listing must be secured for the listing to be filed with the Service. It should then be published as a new listing. Any extension or renewal of a listing must be signed by the seller(s) and be filed with the Service.

Section 1.11 Termination Date on Listings: Listings filed with the Service shall bear a definite and final

termination date as negotiated between the listing broker and the seller.

Section 1.12 Jurisdiction: Only listings of the designated types of property located within the jurisdiction of the Association of Realtors® are required to be submitted to the Service. Listings of property located outside the Association's jurisdiction will be accepted if submitted voluntarily by a Participant, but cannot be required by the Service.

Section 1.13 Listings of Suspended Participants: When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligation except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the Association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised in writing of the intended removal so that the suspended Participant may advise his clients.

Section 1.14 Listings of Expelled Participants: When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS shall, at the expelled Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the Association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised in writing of the intended removal so that the expelled Participant may advise his clients.

Section 1.15 Listings of Resigned Participants: When a Participant resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS the resigned Participant should be advised in writing of the intended removal so that the resigned Participant may advise his clients.

Section 1.16 Photos. Photos will be entered the same day as the listing is entered with either a tax map, plat or photo for commercial, residential, farms multi family and land listings.

SELLING PROCEDURES

SECTION 2. Showings and Negotiations: Appointments for showings and negotiations with the seller for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker except under the following circumstances:

- (a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- (b) after reasonable effort, the cooperating broker cannot contact the listing broker or his representative. However, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

Section 2.1 Presentation of Offers: The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

Section 2.2 Submission of Written Offers: The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Section 2.3 Right of Cooperating Broker in Presentation of Offer: The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Section 2.4 Right of Listing Broker in Presentation of Counter-Offers: The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except where the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

Section 2.5 Reporting Sales to the Service: Sales shall be reported immediately to the Multiple Listing Service by the listing broker unless the negotiations were carried on under Section 2(a) or (b) hereof in which case the cooperating broker shall report, sending a copy to the listing broker within 24 hours after acceptance.

NOTE:The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to file the listing with the MLS; to provide timely notice of status changes of the listing to MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its Participants.

Section 2.6 Reporting Resolutions of Contingencies: The listing broker shall report to the Multiple Listing Service within 24 hours, excluding week-ends and holidays, that a contingency on file with the Multiple Listing Service has been fulfilled or renewed, or the agreement cancelled.

Section 2.7 Advertising of Listing Filed With the Service: A listing shall not be advertised by any Participant, other than the listing broker, without the prior consent of the listing broker.

Section 2.8 Reporting Cancellation of Pending Sale: The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale and the listing shall be reinstated immediately.

Section 2.9 Requested Copies of Listing Agreements: Any Broker who does not submit a copy of the first three pages of a listing agreement that has been requested by the SCAR office within 48 hours, excluding weekends and holidays, will receive a fine of \$100.

REFUSAL TO SELL

Section 3. Refusal to Sell: If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

PROHIBITIONS

Section 4. Information for Participants Only: Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker.

Section 4.1 "For Sale" signs: Only the "For Sale" sign of the listing broker may be placed on a property.
(Amended 11/97)

Section 4.2 "Sold" Signs: Prior to closing, only the "sold" sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign.

Section 4.3 Solicitation of Listing Filed with the Service: Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

DIVISION OF COMMISSIONS

Section 5. Cooperative Compensation Specified on Each Listing: The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of sale (or lease). The listing broker's obligation to compensate any cooperating broker as the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or non agency capacities defined by law) which may be the same or different.

In filing a property with the Multiple Listing Service of an Association of REALTORS®, the Participant of the Service is making blanket unilateral offers of cooperation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.*

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing published by the MLS provided the listing broker informs the other broker in writing in advance of their producing an offer to purchase and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

The S.C.A.R. Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the S.C.A.R. Multiple Listing Service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The S.C.A.R. Multiple Listing Service shall not disclose in any way the total commission negotiated between the seller and

the listing broker.

*The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by an Association Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the listing broker in writing in advance of their producing an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. By showing a percentage of the gross selling price.
2. By showing a definite dollar amount.

The listing broker may, from time to time, adjust the compensation offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised.

The Multiple Listing Service shall make no rule on the division of commissions between Participants and non participants. This should remain solely the responsibility of the listing broker.

Section 5.1 Participant as Principal: If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any interest in property, the listing of which is to be disseminated through the Multiple Listing Service, that person shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants.

Section 5.2 Participant as Purchaser: If a Participant or any licensee (including licensed and certified appraisers) affiliate with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed in writing to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 5.3 Dual or Variable Rate Commission Arrangements: The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client.

SERVICE CHARGES

Section 6. Service Fees and Charges: The Following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

For failure to comply with any other rule, the provisions of Sections 9 and 9.1 shall apply.

Further, failure of any user or subscriber to abide by the Rules and/or any sanction imposed for violations thereof can subject the Participant to the same or other discipline. This provision does not eliminate the Participant's ultimate responsibility and accountability for all users or subscribers affiliated with the Participant.

Section 7.2 Imposition of Fines: Any misuse of the rules and regulations of the Multiple Listing Service is subject to the following fines:

(a.) Any MLS information that is transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm: Up to \$1,000.00 per violation.

Section 9.1 Violations of Rules and Regulations: If the alleged offense is a violation of the Rules and Regulations of the Service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Multiple Listing Service Committee, and if a violation is determined, the Committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the Professional Standards Committee of the S.C.A.R. in accordance with the Bylaws and Rules and Regulations of the S.C.A.R. established to conduct hearings, the decision of the Multiple Listing Committee tribunal may be appealed to the Board of Directors within 20 days of the tribunal's decision being rendered.

Section 10. Confidentiality of MLS Information: Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the Service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants and those Participants who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants.

Section 10.1 MLS Not Responsible for Accuracy of Information: The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Section 10.2 Access to Comparable and Statistical Information: S.C.A.R. members who are actively engaged in real estate brokerage, management, appraising, land development, or building, but who do not participate in the MLS, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS, including "comparable" information, "sold" information, and statistical reports. This information is provided for the exclusive use of S.C.A.R. Members and individuals affiliated with S.C.A.R. Members who are also engaged in the real estate business and may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm except as otherwise provided in these Rules and Regulations.

Section 10.3 SCAR MLS Lock Box System: Refer to the SCAR MLS Lock Box Rules and Regulations adopted June, 1999.

OWNERSHIP OF MLS COMPILATIONS* AND COPYRIGHTS

Section 11. By the act of submission of any property listing data to the S.C.A.R. MLS the Participant represents that he has been authorized to grant and also thereby does grant authority for the S.C.A.R. to include the property listing data in its copyrighted MLS compilation and also in any statistical report on "Comparables."

Section 11.1 All right, title, and interest in each copy of every Multiple Listing Compilation created and copyrighted by the South Central Association of REALTORS® and in the copyrights therein, shall at all times remain vested in the South Central Association of REALTORS®.

Section 11.2 Each Participant shall be entitled to lease from the S.C.A.R. a number of copies of each MLS Compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant with one copy of such Compilation. The Participant shall pay, for each such copy, the rental fee set by the S.C.A.R.

Participants shall acquire by such lease only the right to use the MLS Compilations in accordance with these Rules.

*The term MLS Compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including, but not limited to, bound book, loose-leaf binder, computer database, card file, or any other format whatever.

**This section should not be construed to require the Participant to lease a copy of the MLS Compilation for any license (or licensed or certified appraiser) affiliated with the Participant who is engaged exclusively in a specialty of the real estate business other than listing, selling or appraising the types of properties which are required to be filed with the MLS, and who does not, at any time, have access to nor use of the MLS information or MLS facility of the Association.

USE OF COPYRIGHTED MLS COMPILATIONS

Section 12. Distribution: Participants shall at all times maintain control over and responsibility for each copy of any MLS Compilation leased to them by the SCAR, and shall not distribute any such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by the S.C.A.R. Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "Participation" or "Membership" or any right of access to information developed by or published by the S.C.A.R. Multiple Listing Service where access to such information is prohibited by law.

Section 12.1 Display: Participants, and those persons affiliated as licensees with such Participants, shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation.

OPTION #1

Section 12.2 Reproduction: Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation, and distribute to prospective purchasers, a reasonable* number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the Participant or their affiliated licensees, be interested.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, "sold" information, "comparables", or statistical information from utilizing such information to support an estimate of value on a particular property for a particular client. However, only such information that an Association or Association-owned Multiple Listing Service has deemed to be nonconfidential and necessary to support the estimate of value may be reproduced and attached to the report as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations.

*It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable," as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchasers' decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus "reasonable" in number, shall include, but are not limited to, the total number of listings in the MLS Compilation, how closely the types of properties contained in such listing accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property listing data is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

USE OF MLS INFORMATION

Section 13. Limitations on Use of MLS Information: Use of information from MLS compilation of current listing information, from the S.C.A.R. "Statistical Report," or from any "sold" or "comparable" report of the S.C.A.R. MLS for public mass-media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the S.C.A.R. of its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

"Based on information from the South Central Association of REALTORS® (alternatively, from the S.C.A.R. MLS) for the period (date) through (date)".

The participant agrees that if he/she is found in violation of the terms of this waiver, his/her exemption shall automatically be revoked and he/she further agrees to pay monthly inclusive fees from the beginning of the waiver period.

The waiver exemption for any individual shall automatically be revoked upon the individuals' utilization of the Multiple Listing Service in any manner.

Notes
